

ASHBEN Medical Centre

Gold Coast

We are proud to introduce
and welcome to our team

Dr Dona Hooshmand

MBBS FRACGP

Dr Hooshmand, mother of 2, has over 9 years of experience in a wide variety of medicine. She has a special interest for women's health, sub-fertility and kids health. Her experience in rural and urban Australia has exposed her to a variety of complex medical conditions. She has also worked for the leading medical clinic in Dubai as a GP, which has allowed her to focus on all aspects of health, mind & body.

She is skilled in skin cancer procedures and is also a certified inserter of long acting contraception including intrauterine devices. Dr Hooshmand has a passion for medical education. She is a problem-based learning facilitator and occasionally lectures medical students.
